DESCRIPTION

2019 GMC Savana 3500 Van 139

This 2019 GMC Savana Commercial Cutaway Van with a 139-inch wheelbase is a versatile and durable work vehicle built to meet the needs of demanding commercial operations.

Powered by a robust 4.3L V6 direct injection engine with variable valve timing and paired with an 8-speed automatic transmission, this van delivers reliable performance, fuel efficiency, and smooth power delivery. With a GVWR of 9900 pounds, it is well-suited for upfitting or heavy-duty applications.

Finished in Summit White with a Medium Dark Pewter interior, this vehicle features front bucket seats with custom cloth trim and a console with a swing-out storage bin for added practicality. Interior comfort and utility are enhanced with front air conditioning, power door locks, a 110-volt power outlet, and floor covering in the front cabin.

Safety and driver assistance include StabiliTrak electronic...
